

PATENT BOOKS

Patent books contain plats of City Lands of Los Angeles, confirmed to the Mayor; individual "Tracts" of land, confirmed to the proper owner, and plats of Ranchos, confirmed to the proper owners. These plats were surveyed under the instruction of the United States Surveyor General, by Contract or Government surveyors.

A proper reference to these plats in a legal description would be-----"-----as shown on map recorded in book____, page (or pages) _____, or Patents, in the office of the County Recorder of said county."

The following is a list of the Ranchos recorded in Patent Books:
